SCARFWRAP SUGGESTIONS FOR USE

The wrap that converts to a scarf or a hood

Made for looks, these versatile pieces are born to travel. These small folding, NO WRINKLE, multi use wraps fit sizes 2 to 2X. They cover the upper arm for use in air conditioning, a layered piece the rest of the year. Cotton blends are MACHINE WASH, gentle cycle, tumble dry low.

MEDIUM LENGTH SCARFWRAP LONG LENGTH SCARFWRAP

5" longer falls low hip and covers stomach on most people. The long is 10" longer with a generous tunic feel. Can be worn as a poncho. It fits size 6 to 3X.

HOW TO WEAR

- Assymetrical, the most popular
- * Place over head
- * Place seam on either shoulder
- * Pull down wrap onto opposite arm
- * Pull extra fabric forward to create draped neck

LEFT: Casual or dressy, it depends on what you wear it with, purple

RIGHT: Long length shown with the seam on the side, navy. FAR RIGHT long length shown w seam in the back, fushia

HOW TO MAKE A SCARF

- *Fold wrap in half
- *Gather up the wrap
- *Place behind head
- * Insert ends thru the neck hole and arrange comfortably

Scarf shown in teal

HOW TO MAKE A HOOD

- *Place face into neckhole with the seam under the chin so that the fabric covers the hair
- * Twist the 2 end points and wrap and tie behind head

OTHER USES

FAVORITE MULTI USE - ADD JEWELRY

Gather up folds of the draped fabric and secure with broach. Use the fabric as a backdrop for necklaces, chains or pendants.

SYMMETRICAL, place seam or point to center back. Pull fabric down in front and arrange drape neck or boat neck. Add jewelry for fun, red.

SPLIT SHOULDER, pull up long ends and secure with a broach, navy.

BREAST FEEDING, hold baby in arms under fabric diagonal. Look in thru neck hole to talk to baby,rust.

PULL THROUGH, a dress topper. Place point at center front. Pull point thru inside of wrap until it stays, purple.

LONGEST COVERAGE, place point in front, khaki

ONE SHOULDER, place arm thru neck hole. One way is a blouse and the other is a tunic, blue.
